

Who is Zichai power?

Zichai Power Co.,Ltd, China diesel engine, diesel gensets, generator sets, diesel generator sets, marine diesel engine products manufacturer and supplier. Welcome to contact us.

Where is Zibo Zichai based?

Headquartered in Zibo,Shandong,it owns four manufacturing bases including three subsidiaries of Qingdao Zichai Boyang Diesel Engine Co.,Ltd.,Nantong Zichai Marine Machinery Co.,Ltd. and Zibo Zichai New Energy Co.,Ltd. and the headquarters,over 2,000 employees,a total asset of RMB 1.05 billion and business income of RMB 1.5 billion.

Who is Zibo Diesel Company?

Zibo diesel company was founded in 1970 under the China agricultural development group co.,LTD.,is China's high-speed diesel engine manufacturing key enterprises,the company's annual output of various types of engine more than 4500 sets,the total power of 3 million kilowatts.

What is Zibo diesel engine head office's 12th Five-Year Plan?

During the "Twelfth Five-year Plan", Zibo Diesel Engine HeadOffice will seize the historic opportunity of vigorously developing equipmentmanufacturing industry, ship industry and environmental protection industry,base on internal combustion engine industry with international vision and carryout "intensified" development strategy.

What is Zichai's role in China's energy industry?

At present,Zichai products share 80% of China's market in low calorific value gas and high hydrogen combustible gas application,account for 80% export of the similar products. Company Profile. Independent research and developmentto create industry leading level. Green,environmental protection and energy conservation to boost global energy.

Why should you choose Zichai?

Enjoy the following benefits: Zichai company has 50 years of experience in R & D and manufacturing internal combustion engine, has 20 years of experience in gas power generation project application, has annual production capacity of 10,000 sets internal combustion power equipment.

As the core production base of China's large-scale engine and key components and the core innovation base of China's new energy utilization equipment manufacturing and technology service, it has 50 years of experience in R & D and manufacturing internal combustion engine, has 20 years of experience in gas power generation project ...

Zibo Zichai New Energy Co., Ltd, is one of the Global Leaders in the field of Diesel, HFO and Gases(natural gas, biogas, biomass gas, syngas etc.)to Energy Solutions since 1970, having exported power generation systems to more than 50 Countries in Europe, Asia and Africa.

Company products belong to advanced manufacturing, new energy and energy conservation and environmental protection area. Company is devoted to green environmental protection industry, and spent money on developing VAM thermal oxidation device used to destroy or re-use methane, provides a new idea for coal mine gas safety treatment, product ...

Zibo Zichai New Energy Co., Ltd, is one of the Global Leaders in the field of Diesel, HFO and Gases(natural gas, biogas, biomass gas, syngas etc.)to Energy Solutions since 1970, having ...

Zibo Zichai New Energy Co., Ltd., a subsidiary of the China National Agricultural Development Group Co., Ltd., is high-tech enterprise. As the core production base of China's large-scale engine and key components and the core innovation base of China's new energy utilization equipment manufacturing and technology service.

Recently, the New Energy Company's invention patent "Reactive load distribution device and system for analog generator parallel and isolated grid operation" was selected for the 2023 "Zibo City High-Value Patent" project.
