Such was the power of leaders and peoples of some Niger Delta communities. Though this image is negative, it is however an image that placed the Niger Delta in a position of power, subjectivity, and if I may add, many communities were beneficiaries of the exploits of their kings. The dignity, stature and politico-economic clouts of King Jaja in ...

POWER AFRICA SUCCESS STORIES IN NIGER. A Blueprint for Rural Electrification: Building a Market for Mini-Grids in Niger. Image. Niger, located in sub-Saharan Africa is one of the least-developed nations in the world. But the Government of Niger plans to change that by electrifying rural homes and businesses.
