

Who is Omega Power Tech?

Welcome to Omega Power Tech, a leading manufacturer of high-quality electrical panels. We specialize in designing, engineering, and fabricating custom electrical control panels for various industries, including industrial, commercial, and residential applications.

What is Omega Technologies?

Omega Technologies is a provider of top-tier security systems and access control. We specialize in leading security devices from brands like Hikvision, AXIS, Inner Range, and Bosch. Omega Technologies offers solutions for residential and commercial camera systems, alarm systems, and access control systems to cater to various needs.

Who is Omega Power Equipment?

Omega Power Equipment Pty Ltd has entered into an exclusive distribution agreement with Electri-Flex Company, a leading global supplier of high-quality Liquatite® flexible electrical conduit.

What makes Omega Power Tech different?

Omega Power Tech takes pride in manufacturing a diverse range of high-quality electrical panels that cater to various needs and applications. Our comprehensive product lineup includes a wide range of electrical solutions.

Omega Power Technologies Corp. (OPT) is an innovative battery research and development company commercializing next-generation electrodes that push both lithium-ion and lithium-metal battery technologies into their final frontier, the "Omega", of energy density and power capabilities for broad scale use across various industries with a ...
