

Are there Overkill Solar settings that will just cut off power output if the voltage drops below a certain level? I would like to keep the battery always within a very moderate range of charge to maximize the life of the battery as much as possible.

DIY Solar Products and System Schematics. ... Overkill Solar overkillsolar C. cliffe New Member. Joined Jul 30, 2024 Messages 6 Location Lexington. Friday at 11:24 AM #8 I did some additional reading in the Guideline For Use pamphlet they sent me with the battery. It states that a 14.6 LifePO4 OV charger to complete the activation or ...

The new BMS is named The Pathfinder BMS by Overkill Solar. It is entirely designed in America by Overkill Solar, and programmed mostly in Canada. We will be doing final assembly, programming, calibrating, and testing here in Naples, FL. The components are sourced globally. Here are the physical dimensions of The Pathfinder BMS:

I purchased (2) 100Amp 24V 8S BMS from Overkill solar in January of 2021. I put them into service the summer of 2021 and they worked flawlessly until very recently where I started to have issues with one of the BMS. I contacted customer support and received some ideas, none of which worked to fix my issue.

Android App: Overkill Solar Mobile App (Google Play Store) To sideload the APK on your Android device, Click here. Here you will also find the version notes for every update of the mobile app. Note: Regardless of how you load the app, it will silently update when we publish bug fixes, assuming the device has an internet connection.
