

Arab Palestinian Investment Company (APIC) was founded in 1994 by a number of Arab businessmen for the purpose of channeling funds and investments to Palestine, paving the country's way to greater development and creating new jobs in the country.

Since 1993, PADICO Holding has been promoting elements of development in key sectors of the Palestinian economy through its investment activities, and reasserting its place as the first leading investment group in Palestine, with an ...

Since 1993, PADICO Holding has been promoting elements of development in key sectors of the Palestinian economy through its investment activities, and reasserting its place as the first leading investment group in Palestine, with an estimate of 6,500 shareholders and a paid-in capital of USD 250 million.

Amidst this backdrop, a new wave of "pro-Palestine" companies has emerged, actively showing their support for the Palestinian cause through various means. From offering financial support to Palestinian organizations to advocating for human rights, these companies are making a bold statement in the business world, and their actions are not ...

Palestine's only venture capital firm is the Ibtikar Fund, which was founded in 2015 by Ambar Amleh and Habib Hazzan. Ibtikar's anchor investor is the Bank of Palestine, but it is also supported by the Dutch Good Growth Fund, the International Finance Corporation and Palestinians living in the diaspora.
