

Experience the advantages of renewable energy with JA Solar 's cutting-edge JAM54D41-440/LB (BIFACIAL, EVO2). It represents the perfect blend of sustainability, performance, and reliability in order to fulfill all the needs for your upcoming solar project.

The JA Solar N-Type 440 W - Bifacial glass-glass N-type solar panel offers superior performance and durability thanks to innovative N-type cells and a bifacial glass-glass construction, resulting in high energy yield and long-term reliability.

Unleash the potential of clean energy with JA Solar 's remarkable JAM54D41-440/LB (QC 4.10). This cutting-edge solar product combines superior quality and eco-conscious design for a ...

Introducing the JAM54D41-440/LB TRACEABLE (BIFACIAL, EV02) solar module by JA Solar, featuring a nominal power output of 440 watts, designed to harness the power of sunlight efficiently and effectively.

Discover the JA Solar JAM54D41-440/LB 440W Full Black N-Type Bifacial Double Glass Solar Panel at VoltaconSolar. With 22% efficiency, bifacial technology for increased power generation, a 30-year warranty, and durable design, it's perfect for residential and commercial solar installations in any environment.

The JA Solar JAM54D41-440-LB is a high-efficiency bifacial solar panel engineered for superior performance and visual appeal. Utilizing N-type TOPCon cell technology and a sleek full black dual-glass design, this module delivers an impressive power output of 440 W and a module efficiency of 22%.
