

Who is aotai electric?

Established in 1993,AOTAI Electric is a leading manufacturer of inverter machines,including both solar inverters and inverter welding machines. As a typical technology-oriented company,its main products reflect development level of cutting-edge technology in this field in China.

What is aotai solar inverter?

Aotai is named "Shandong modern welding equipment researching lad" by Government. The Solar inverter division was set up, which means Aotai enters the solar inverter industry officially. The distributors are expanded to 40 plus countries. National Science and Technology Progress Award for solar, first solar inverter manufacturer won this award.

Who is Aotai Solar?

Aotai Solar is a division of Aotai Electric Co.,LTDthat was set up in 2009,mainly manufacturing on-grid and hybrid inverters. Aotai was founded by several professors and their graduate students from Shandong University in 1993. Since its founding,Aotai has been dedicated to pursuing innovative technologies that bring breakthroughs in its field. Total installation is over 10GW.

How many welding machines does aotai offer?

Aotai offers nearly 100welding machine models in 13 series. Its line of welding machine products includes Inverter MMA,Inverter TIG,Inverter MIG,Inverter SAW,Water Cooling Machine,Inverter Air Plasma Cutter as well as a variety of accessories. Its solar division was set up in 2009,mainly manufacturing on-grid and hybrid inverters.

What is aotai welding power source?

Aotai welding power source is widely used by the first class brand. Aotai is named "Shandong modern welding equipment researching lad" by Government. The Solar inverter division was set up,which means Aotai enters the solar inverter industry officially. The distributors are expanded to 40 plus countries.

Who is the first solar inverter manufacturer?

National Science and Technology Progress Award for solar,first solar inverter manufacturer won this award. Aotaiwas founded by several professors and their graduate students from Shandong University. Aotai launched Thyristor inverter MMA/TIG welders. Aotai became major welding machine supplier in Shandong Province.

Aotai Electric Co., LTD. ... 7X24h stable running Manage grid-connected inverter, add data of newly communication net connected inverter to management system by add function, also can move current inverter data output of management ...

Aotai Electric Co., LTD is a leading manufacturer of inverter welding and cutting equipments, and solar inverters in China. Aotai offers nearly 100 welding machine models in 13 series. Its line of welding machine products includes Inverter ...

Aotai Electric Co., LTD. ... 7X24h stable running Manage grid-connected inverter, add data of newly communication net connected inverter to management system by add function, also can ...

On the first day of the conference, PVBL"s annual ranking of the Top 20 Global Photovoltaic Inverter Brands was announced. Preferential policies promoted the inverter market growth in 2023. Most of the major inverter ...

As a leading global PV string inverter enterprise, Aotai brought a series of new products to participate in SNEC. Aotai"s booth was crowded with visitors, and our products ...
