

What is a solar panel warranty?

Solar panel warranties vary by manufacturer and type of panel. A standard solar panel warranty should come with at least 10 years of protection. Solar panel warranties typically won't reimburse for labor costs associated with installing new equipment or shipping fees for new equipment.

What is a solar contractor warranty?

Solar contractor warranties are essential to your solar energy system's overall protection. These warranties, provided by the installer, generally cover workmanship and installation issues. They ensure the solar panels are correctly installed, and the system operates as intended. The duration of contractor warranties can vary.

What is a performance warranty on solar panels?

Performance warranties guarantee the solar panels' energy output over a specified period. Dive into the details of these warranties to grasp how they assure sustained efficiency and the factors influencing their validity. Delve into the specifics of product warranties, exploring coverage for manufacturing defects, materials, and artistry.

Can a solar panel warranty be voided?

For example, warranties may be voided if the solar panels are not installed according to specified guidelines or if unauthorized modifications are made. Certain solar panel warranties might not cover fire damage or other outside sources.

Do solar companies offer warranties?

Solar companies offer warranties for their solar panels and related equipment since consumers want assurances and guarantees on such a large purchase. However, most solar warranties can be a little confusing for the average person to understand, as they contain complicated technical and legal jargon.

What should I look for in a solar panel performance warranty?

Ideally, you should look for a solar panel performance warranty with the following conditions: Some solar manufacturers will guarantee a degradation rate as low as 0.25% per year, and a performance warranty period of up to 30 years. The best solar companies offer homeowners an installation warranty of their own.
