

Is Puerto Rico safe?

Exercise the same caution you would use in a big city back home. Puerto Rico is generally safe for travelers but keep an eye out for risks such as dark, empty streets in Old San Juan and other San Juan neighborhoods. In particular, exercise caution when venturing out to clubs in Santurce - this is a high-crime area at night.

Is Puerto Rico Open today?

Today, Puerto Rico is open and ready for visitors! While exploring, remember to respect the island's history and the strength of its people. Then you'll have an enlightening and heartwarming experience in Puerto Rico! English is widely spoken, especially in tourist areas.

Do you need a converter in Puerto Rico?

Puerto Rico uses the same electric outlets as the United States, so you won't need a converter if you're coming from there. Be sure to try traditional Puerto Rican dishes like mofongo, arroz con gandules, and all the amazing seafood options! Also, explore local markets or book a food tour for the best experience.

Is Puerto Rico a laid-back island?

It's tempting to think of Puerto Rico as a laid-back escape where the majority of the time is spent going to the beach or hanging around in the sun. The reality is that the island is centered on a busy, metropolitan city, with people rushing to work early in the morning, and traffic jams at the end of long workdays.

Puerto Rico is home to one of the three largest underground cave systems in the world. For cave lovers, hikers and adventurers, visiting the caves in Puerto Rico should be on your itinerary. I've lived in Puerto Rico for 14 years and explored many ...
