

Who is Anhui Schutten solar energy?

Anhui Schutten Solar Energy Co.,Ltd.,founded in 2013,is a national high-tech enterpriseintegrating advanced technology and innovative capabilities. We specialize in the R&D,production,and sales of photovoltaic products,providing solutions and services for photovoltaic power stations and systems.

Who is Schutten solar energy?

Schutten Solar Energy Co.,Ltd. is a national high-tech enterprise owned the world-leading PV module production Line.Schutten focuses on the production and sales of PV modules. And also provide the design,installation,and after-sales services of the PV power stations and PV power systems.

Who is Schutten solar module manufacturer?

We are specialized in highly efficient solar module research, manufacturing and distribution to global market with advanced module production capacity available both in China and abroad. Schutten is located in Chuzhou city, Anhui province, China since 2013.

Where is Schutten manufactured?

Schutten Owns two production basis in Chinaand Thailand.Schutten brought in the world-class PV module production line in Year 2020,which can produce high-efficiency PV modules such as film,double glass,multi-busbars,and half-cells PV modules.

Where are Schutten PV modules made?

Currently,Schutten has two PV module production bases located in Chinaand Thailand,with world-class production and testing equipment which are used to produce double-glass,multi bus bars,half-cell and other high-efficiency PV modules.

Who is severe weather resilience Schutten solar?

Severe Weather Resilience Schutten Solar is a world leading solar module manufacturer and comprehensive solar solution provider. We are specialized in highly efficient solar module research,manufacturing and distribution to global market with advanced module production capacity available both in China and abroad.
