

Yemen is building a solar power plant in the south and is planning to construct two others after securing funding from Abu Dhabi-based Masdar Company, Yemen's Electricity Minister was quoted on Friday as saying.

Masdar specializes in utility-scale renewable energy projects, community grid projects, and energy services. Active in more than 30 countries, Masdar is one of the largest developers of renewable energy projects in the Middle East. Its projects have an ...

Abu Dhabi-based renewables major Masdar has signed an agreement with Yemen's Ministry of Energy and Electricity to build a 120-MW solar park in Aden which serves as a temporary capital of the war-torn Arab country.

Based in Abu Dhabi, Masdar is one of the world's fastest-growing renewable energy companies and a pioneer in advancing the clean energy sector since 2006. Masdar is a key enabler of the UAE's vision as a global leader in sustainability and climate action, supporting the UAE Consensus and the legacy of COP28.

Masdar, an Abu Dhabi-based renewables developer, is set to build a 120 MW solar plant in Yemen. The developer signed a joint cooperation agreement with Yemen's Ministry of Electricity and Energy...

In Yemen, less than half of the population has access to electricity. In 2010, the government launched a National Strategy for renewable energy and energy efficiency, which aims to develop grid and off-grid renewable energy and targets a 15% share of rene

Over the past 17 years, Masdar has become one of the world's largest renewable energy investors and drivers of the energy transition. Our momentum will see us accelerate global clean energy growth, expand our renewable energy footprint, and play a vital role in delivering the UAE's Net Zero by 2050 strategic initiative.
