1,687 Followers, 673 Following, 239 Posts - Rubitec Solar (@rubitec\_solar) on Instagram: "Rubitec Nigeria Ltd is a Nigerian company specializing in renewable energy- specifically solar and #inverter, backup systems, small hydro power, etc."

Originally a distributor of standalone solar systems in urban areas, Rubitec Solar diversified its operations in 2018 when it developed its first solar mini grid in the off-grid rural community of ...

Recently, we received countless numbers of orders for solar batteries. Some customers said they have been getting bad batteries which doesn't last up to a year. Some others came to our store based on recommendations and we are grateful for that.? We don't settle for less.

We can design and install solar systems for homes, offices, shops. Solar power will provide reliable and economical lighting for schools in both urban and rural areas. We design and install sophisticated Solar panels for ATMs, branch backups, and energy efficiency.

Through our relationship with international solar companies and our technical partners, we are distributors of Solar Systems and specialists in the design and supply of photovoltaic power sources and back-up systems for a wide range of applications.

Recently, we received countless numbers of orders for solar batteries. Some customers said they have been getting bad batteries which doesn't last up to a year. Some others came to our ...
