PV Tech has been running PV ModuleTech Conferences since 2017. PV ModuleTech USA, on 17-18 June 2025, will be our fourth PV ModuleTech conference dedicated to the U.S. utility scale solar sector.

On 12 August 2014, ExCo agreed to the allocation of £1m of extra funding to build a new solar farm for electricity generation on St Helena. The new funding has been identified specifically to support only renewable energy projects, and must be spent in this financial year, 2014/15. ExCo was very supportive of this proposal as solar generated electricity [...]
