Thanks for your interest! Check here to see if there is an open solar co-op in your area. Signing up for the waitlist isn't a commitment to go solar but we'll let you know if/when a solar co-op opens up in your area. In the meantime, we'll take a look at your roof from satellite imagery and make sure it looks good for solar!

A: There are a number of reasons Installers prefer EZ Solar products over existing rooftop junction boxes. 1. Installer can wire through 3 sidewalls vs. 1 or 2. Great for Wire Management. 2. More cost effective. We believe that EVERYONE should have access to affordable renewable energy, even the average consumer!
