

Who are Capitol industrial batteries?

Capitol Industrial Batteries are a nationwide SAFT approved service centre and distributor. Proud to supply and service the UK rail industry. SAFT's origins are closely linked to the rail sector with experience in development of high technology batteries, whether onboard for back-up or trackside applications.

Where are Capitol batteries based?

Our team are based in Scotland, throughout our main depot and fully functional warehouse. Customers can drop in to peruse our range of products, batteries and charger accessories. This is mostly used by customer engineers on the move but is open to the general public. Capitol also has service centres in West Yorkshire and the Midlands.

What types of battery chargers does Capitol offer?

Capitol offers a wide array of conventional and modular battery chargers designed to extend the life of any battery. We manufacture and stock a comprehensive range of recognised brands and specialised portable and desulfation charger types, including high-frequency 50Hz chargers (portable & standard).

Why is Saft the best marine battery supplier?

Tighter emissions regulations, lower margins and more complex applications mean today's marine battery industry has three basic requirements: to be environmentally friendly, cost-efficient, and safe. Saft batteries meet all these and more, making Saft the go-to marine battery supplier for the likes of Rolls-Royce and Benetti.

Which marine propulsion batteries do Saft offer?

Saft offers the following selection of lithium-ion marine propulsion batteries: With a legacy of more than 100 years in nickel battery technology, Saft's nickel marine battery systems are regularly installed on ships and boats for critical engine starting and backup power duty.

Is San Marino a city?

The City of San Marino (Italian: Città di San Marino), also known simply as San Marino and locally as Città, is the capital city of the Republic of San Marino and one of its nine castelli. It has a population of 4,061. It is on the western slopes of San Marino's highest point, Monte Titano.

La ciudad fue fundada por Marino diácono y varios refugiados cristianos en el año 301. A partir de ahí, la ciudad se convirtió en un centro de refugiados cristianos que huían de las persecuciones romanas, eso hizo que la ciudad se convirtiera en la república más antigua de Europa, pues vale recordar que a la época, el territorio sanmarinense correspondía a la sola ciudad de San Marino.
