Made in the USA and founded in 1925, Trojan Battery Company has become the world's leading manufacturer of deep cycle Solar and Motive batteries, with a broad range of energy storage solutions that include deep cycle flooded, AES, AGM, gel, and lithium-ion batteries.

MARSRIVA - Solar Inverter / Battery / Energy Storage System / UPS System_Light up the world with MARSRIVA products-Solar Inverter, Battery, UPS System.etc. Whenever and wherever you need, choose MARSRIVA and keep the life power on.

The 220KW plant on Farquhar island has battery storage of 700kWh and will cut diesel use from approximately 95,000 litres a year to around 6,000. The President's delegation also visited the larger island of Desroches which is the site of the biggest solar plant built by SPS in Seychelles and is expected to be commissioned in June this year.

Bluesun Inside, Power Your Life The Solar Power System With Battery is a sustainable and intelligent energy storage solution designed to enhance energy efficiency for households. By integrating advanced storage capabilities, this system allows homeowners to optimize energy consumption while reducing reliance on the grid. With Bluesun's strong R& D expertise and ...

We are the Seychelles agent for Trojan Batteries USA - a global leader and trusted name in both lead-acid and lithium-ion battery production. Whatever your needs, we can help you design a battery configuration to power your demands.
