

With a strong presence in the solar industry, we design, manufacture and supply highly efficient and cost effective monocrystalline and polycrystalline solar modules and the other solar products. The factory's capacity is 200 MW per year and we produce solar panels from 10w to 340w with different dimensions.

Shandong Zhongjing Solar Energy Co.,Ltd was established in 2008, (hereafter referred to as CNSDPV) which is a professional manufacturer of solar module, solar product, magnetic wind generator and LED lighting in Shandong province, China.

China supplier of solar panel, BIPV, solar module. Shandong Zhongjing Solar Energy Co., Ltd. (CNSDPV) is specialized in solar photovoltaic industry. CNSDPV combine the research and development, manufacture, sale and after-sales service as a whole.

With a strong presence in the solar industry, we design, manufacture and supply highly efficient and cost effective mono-crystalline and poly-crystalline solar modules which confirms to IEC61215 and IEC61730.
