

Will China build an EV battery plant in Slovakia?

Nov 23 (Reuters) - China's Gotion High Tech (002074.SZ) and Slovak partner InoBat have signed a memorandum to build an electric vehicle (EV) battery plant in Slovakia, the Slovak Economy Ministry said on Thursday.

Will China and INOBAT build an electric vehicle battery plant in Slovakia?

June 20 (Reuters) - China's Gotion High Tech (002074.SZ) and Slovak partner InoBat will invest 1.2 billion euros (\$1.29 billion) to build an electric vehicle (EV) battery plant in Slovakia, the country's Economy Minister Denisa Sakova said on Thursday.

How much money did Slovakia invest in a new nuclear power plant?

According to a press release issued by the ministry, the planned investment in the construction of the plant amounts to 1.2 billion euros (1.28 billion U.S. dollars), making it the second-largest investment in Slovakia's history.

What is the future of Slovakia's car industry?

Minister Denisa Sakova said the plant's construction was key for the future of the car industry, which is a major driver for Slovakia's economy. The plant, in Surany, 93 km (58 miles) east of the capital Bratislava, will create up to 1,500 jobs, the ministry said.

Did Slovakia sign a joint venture agreement with the government?

The government and joint venture have now signed an Investment Agreement. The agreement does not come as a surprise. In November 2023, the companies signed a letter of intent to this effect with the Slovakian government regarding the factory. The partners had already presented the key points of the joint factory in September.

How much investment aid will Slovakia receive?

Of the total investment aid, 150 million euros (160.58 million U.S. dollars) will be provided as a subsidy, while an additional 64 million euros will be granted as income tax relief. This investment represents an important milestone for Slovakia, said Slovakia's Deputy Prime Minister and Minister of Economy Denisa Sako.

GIB (Gotion-InoBat-Batteries) is a joint venture between Gotion High Tech and InoBat based in Slovakia. GIB was launched at COP 28 in Dubai on 5 December 2023. GIB's focus is in the EMEA regions, offering localisation ...
