

How can a storage cabinet be used?

A storage cabinet, such as the IKEA Lixhult Cabinet, can be used in various ways. It helps you keep track of small items like chargers, keys and wallets, or more bulky items like handbags and toys. The cabinet can be used either with the included legs or be placed on the floor. Stack and combine as you please. Keep track of important papers, letters and newspapers by sorting them on the inside of the cabinet door.

Can Eket be used with small cabinets?

With the EKET series you can create great storage with small cabinets. You decide. And if your space or needs change, you can easily change your EKET solution too. Want to customize the look and function of EKET to suit your space and style?

How high should a shelf be?

We usually do it automatically, without thinking about it", says Petra. The height that seems to suit most people is 31 inches, so a shelf at that height was a given in the mix of shelves, drawers and cabinets in different colors and styles that eventually became the EKET storage series.

What are the best side tables with built-in storage?

There are tons of sleek, and more importantly, insanely slim side tables with built-in storage out there. This end table from Wayfair will fit perfectly between two sofas or your sofa and the wall, and it boasts a sneaky flip-top where you can stash television remotes, tech cords, and more.

What is a pull-out drawer cabinet?

This is an ideal workaround for spaces that can't squeeze in a full-size cabinet or shelf for storing cleaning products and extra rolls of toilet paper. Turn even the tiniest bit of spare room in your kitchen or bathroom into a storage-savvy display with a compact pull-out drawer cabinet.

Do IKEA Gnedby shelf units look good on a wall?

IKEA's GNEDBY shelf units look great on a wall OR tucked into a narrow space. (Image credit: IKEA) Whether you deeply despise organizing your home or love finding a place for absolutely everything, we can all agree that the final result always feels better than what you started with.
