

Where is SmartEnergy based?

Smartenergy, founded in 2011, is headquartered in Wollerau, Switzerland. Beyond our Team in Wollerau, we rely on our own local subsidiaries in all our focus markets. Local knowledge and proximity to the industry stakeholders allow us to identify and secure opportunities at an early stage while creating synergies across the entire value chain.

Is SmartEnergy a good company?

The [SmartEnergy Agent] that I spoke to gets credit as an excellent representative for your company!!! I am 65, and an old person and it was nice to speak to a nice and thoughtful young person. I will definitely recommend your company-- Thank you! SmartEnergy has excellent rates, they saved me some money.
