

Who is SmartEnergy?

Smartenergy | We invest in a sustainable future. Who we are What we do Where we are Contact us We identify, develop and lead the way. Sound on Sound off Renewable energy is the way forward. This is why we focus on investments in solar, wind and hydrogen. We bring together experts from various disciplines.

What can SmartEnergy do for You?

At Smartenergy, we support the entire value chain-- from renewables to eSAF, eFuels and hydrogen solutions for hard-to-abate sectors. Together, we can navigate the complexities of the energy transition and build a sustainable future.

Why did SmartEnergy win a prestigious award?

Among over 1000 applications, Smartenergy was chosen for pioneering smart energy hubs that leverage green H2 for the decarbonization of heavy-emitting sectors. The prestigious award comes as Smartenergy scales up the go-to-market strategy into green electricity, green hydrogen and e-SAF. #energytransition #greenhydrogen #eSAF #Committed.
