

Jiangsu SOKOYO Solar Lighting Co., Ltd. | 1,352 followers on LinkedIn. Light up every road back home | In 2008, SOKOYO was founded with a clear focus on solar street lights products.

In recent years,SOKOYO has exported hundreds of thousands of solar street lights to Nigeria,Tunisia,South Africa,Djibouti,Cameroon,Benin,Zimbabweand other countries.

Throughout our journey, SOKOYO has remained dedicated to the development and design of cutting-edge solar street lights, and we have excelled in this field. To date, we have successfully installed over 100 million sets of solar street lights worldwide, each having withstood rigorous inspections across diverse environmental conditions.

In SOKOYO,our team comprises more than 150highly skilled professionals,including 30 Technology R&D engineers and over 50 domestic and foreign trade sales staff. This ensures that we consistently provide top-notch products and solutions to our valued customers.

SOKOYO is committed to promoting high-quality solar street lights conforming with European norms, helping resolve roadway lighting and contributing to green energy and carbon neutrality. Its products have been exported to Armenia and France.

The climate in Middle Eastern region is dry and hot and lacks of rainfall through the year, thus it satisfies installation conditions of solar street lights. Solar street light products of Sokoyo could make good use of local solar energies and provide perfect solutions for roadway lighting.

Meanwhile, there are rich islands and isolated wat... sales@sokoyo .cn +86-17715878199 ... SOKOYO Solar has consistently dedicated itself to offering efficient, sustainable solar lighting solutions worldwide, fostering safer and greener living environments in cities and communities.
