

Are solar panels a scam?

That is, of course, also a scam. To protect yourself from clean energy scams: Know that "free" or "no cost" solar panel offers are scams. The federal government does not install solar systems in homes for free. If you're considering whether solar energy is right for you, check out the Department of Energy's guide for homeowners and learn more.

Are solar business leads a scam?

At best, this is someone generating leads to sell, not actual solar businesses. At worst, they're scammer trying to steal your identity. If you spot a scam, tell the Federal Trade Commission at [ReportFraud.ftc.gov](https://www.ftc.gov/ReportFraud).

How do I know if a solar company is a scam?

Look up existing scams. The Better Business Bureau has a free scam tracker. You can search by company name or keyword to see if there are any active scams in your area. Ask questions. A legitimate solar company will be happy to answer questions. If they get pushy or dodge your questions, that's a red flag.

What if my company offers solar energy?

If your company offers solar energy, remember that claims must not only be truthful, but also comply with established consumer protection laws, including the FTC Act and the FTC's new Impersonation Rule. Be truthful. Every clean energy company has a responsibility to be honest and upfront with consumers. Be transparent about what you're offering.

Is a solar lease a scam?

Solar lease or power purchase agreement (PPA) scams: Although leasing solar panels or financing using a PPA are not necessarily scams, these contracts are extremely difficult to break and can leave you saddled with an unwanted monthly payment for a solar array you don't even own.

How do I avoid solar panel scams?

Knowing about solar scams and what to look out for can help you protect your assets and prevent you from becoming victimized. To avoid solar panel scams, we strongly recommend doing your own research and verifying that your solar company is legitimate before signing any contracts. Take time to make the right decision: Never rush into a contract.
