

At Solar Energy Caribbean, we specialize in providing Grid-tied and Off-Grid solar PV systems with battery storage, ensuring that homes and businesses in Sint Maarten never have to face such disruptions again.

Solar Energy Caribbean offers reliable solar power solutions across the Dutch & French Caribbean, including Sint Maarten, Saint Martin, Saint Barthélemy, Saba, and Trinidad & Tobago.

Another critical benefit of solar energy for luxury villas is energy independence. On an island like St. Martin, power outages due to storms, grid failures, or energy shortages can disrupt daily life, especially in upscale properties that rely on modern amenities.

At Solar Tech Caribbean, we are dedicated to revolutionizing the way you power your life. Our mission is to provide cutting-edge solar solutions, seamless Starlink installations, and convenient EV charging services tailored to meet the unique needs of Sint Maarten/Saint Martin.

The Enphase home energy solution combines solar, storage, and software that tracks your production and consumption: an all-in-one solar energy system that maximizes your savings while you're busy living your life.
