Our goal is to foster the energy transition through robust and affordable solar solutions that we distribute through local partners. Therefore Solarworx has developed the next generation of PayGo Solar Home System. Our solutions are modular, smart and affordable. We are currently strengthening our presence in Africa and Southeast Asia.

Since the initiation of SolarWorX Felix is in charge of product and business development. He previously worked as an environmental engineer for clean-tech companies in the wind and off-grid energy sector. More recently he focused on Solar Home Systems development and management in East Africa and therefore speaks Kiswahili fluently ...

Solarworx is a German manufacturer of off-grid solar solutions, which include solar home systems, DC appliances and DC MESH grids. Our solutions are all modular, interoperable and Pay-go enabled to increase affordability for the end customer.

Aucun technicien n'est n&#233;cessaire pour installer le kit de pompe &#224; eau Solarworx. Des LEDs suppl&#233;mentaires ou d'autres appareils peuvent &#234;tre aliment&#233;s en utilisant des c&#226;bles en Y.
