

1C High performance lithium battery; Advanced BMS with current limiting function Compatible with most inverters and chargers; High energy density and conversion efficiency; Complete with integrated Battery Management System Hubble ...

Experience reliable energy storage with the Freedom Won Lite Home 10/8 LiFePO4 Battery. This 10kWh Li-ion battery pack, with a 48V system voltage, is designed to empower your residential and industrial solar solutions. It offers exceptional performance, durability, and compatibility with various inverters.

Hubble Lithium's AM-10 model is a low voltage (51V), 10kWh battery made up of superior prismatic lithium-ion cells. These battery cells have more energy density and a longer cycle life compared to standard lithium cells.

The Lithium Valley 10kWh Battery offers high-efficiency energy storage with reliable performance. Designed for seamless solar integration, it provides a sustainable, eco-friendly power solution for homes, businesses, or electric vehicles.

The KATBATT 10kWh 48V lithium battery is the best locally manufactured LiFePO4 battery in South Africa. It is the perfect battery for a 5-10kW solar system. Using it with the KATBATT monitoring unit, we monitor your batteries up to 15 in parallel at the cell level to ensure you always get the best value for your money until after your 10-year ...

1C battery capable of providing a continuous charge/discharge power of 10kW. Versatile compatibility with leading inverter brands such as Victron, Kodak and Sunsink. 10-year warranty, 15-year design life for the battery cells. Installation ...

The Hubble Lithium's AM10 model is a 51V (suitable for 48V systems) LiFePO4 battery pack suitable for off-grid, back-up and self-consumption residential energy systems. Superior prismatic lithium-ion (LiFePO4) cells make the AM-10 another exceptional addition to ...

1C battery capable of providing a continuous charge/discharge power of 10kW. Versatile compatibility with leading inverter brands such as Victron, Kodak and Sunsink. 10-year warranty, 15-year design life for the battery cells. Installation flexibility - the battery can either be wall-mounted or rack mounted.

0.75C battery capable of providing a continuous charge/discharge power of 7.2kW. Versatile compatibility with leading inverter brands such as Victron, Kodak and Sunsink. 10-year warranty, 15-year design life for the battery cells. Installation flexibility - the battery can either be wall-mounted or rack mounted.

The Lithium Valley 10kWh Battery offers high-efficiency energy storage with reliable performance. Designed for seamless solar integration, it provides a sustainable, eco-friendly power solution for homes, businesses, or electric ...

Hubble Lithium Wall Mount Battery 10kW 51.2V AM-10. Superior LFP prismatic cells make the Hubble Battery AM-10 another exceptional addition to our popular AM series! This model is two times bigger than the new AM-5, featuring a ...

Green Deer's battery BMS supports simultaneous communication and compatible with multiple inverter brands: Sunsynk, SMA, Victron Energy, Deye, Voltronic Power, Luxpower, Growatt, Phocos, SRNE. Available in 2.5kwh, 5kwh and 10kwh with 10 year Warranty.

1C High performance lithium battery; Advanced BMS with current limiting function Compatible with most inverters and chargers; High energy density and conversion efficiency; Complete with integrated Battery Management System Hubble Cloudlink integration ready for cloud monitoring Heavy duty side handles for easy handling and mounting on the wall

The KATBATT 10kWh 48V lithium battery is the best locally manufactured LiFePO4 battery in South Africa. It is the perfect battery for a 5-10kW solar system. Using it with the KATBATT monitoring unit, we monitor ...

Experience reliable energy storage with the Freedom Won Lite Home 10/8 LiFePO4 Battery. This 10kWh Li-ion battery pack, with a 48V system voltage, is designed to empower your residential and industrial solar solutions. It offers ...

Hubble Lithium Wall Mount Battery 10kW 51.2V AM-10. Superior LFP prismatic cells make the Hubble Battery AM-10 another exceptional addition to our popular AM series! This model is two times bigger than the new AM-5, featuring a whopping 10kWh system capacity as well as monitoring capabilities via the Hubble Cloudlink. Low self discharge
