

Earlier this year, our dream was realized: South Georgia and the South Sandwich Islands" received the highest MPA designation status possible. We were elated to learn that 449,000 square kilometers of the region have been entirely closed off from fishing activity.

The ultimate goal of the Argentinian forces was to annex the South Sandwich Islands, South Georgia, and the Falklands. Despite these plans, however, the British moved in to re-take the territory, and on June 20, 1982, the British were successful in defeating the invading Argentine forces. By 1985, both South Georgia and the South Sandwich ...
