

Storage cabinet at the door where you can put a sofa

How do you store a couch in a room?

Add some baskets or a floor lamp to maintain order. If the couch is by the entrance, the bench can serve as a place to sit or store things. If you're short on storage space or love books, a shelf behind the sofa is a great solution.

Should you put a shelf behind a sofa?

If you're short on storage space or love books, a shelf behind the sofa is a great solution. Not only will it allow you to display your favorite items, but it will also give the space behind the sofa a practical and useful purpose. An aged wood coffee table can also make for a great decorative addition to the back of a sofa.

What to put behind a sofa in a small room?

Moving the sofa away from the wall is a modern and daring option, and a sideboard can help define the interior and exterior spaces of the house. A tree-like lamp adds to the ambiance in this case. Do you have ideas for what to put behind a sofa in the middle of a small room? Try a sideboard! It not only adds decoration but also saves space.

Should you put a sofa in the middle of a room?

If you have a sofa in the middle of a room and are unsure what to put behind it, consider the advantages that interior designers have found with floating sofas. Not only does it improve traffic flow, but it can also be an efficient solution to divide a room and create a cozy conversation space.

How to choose a console for a sofa?

An open and clear console is preferable in smaller spaces, while a console with closed storage is ideal for larger rooms. A large console that spans the sofa's width can serve as a space divider and extra storage if it includes storage space. Consider a sideboard that provides ample storage and can be placed behind the sofa to fulfill this purpose.

Can a sideboard be placed behind a sofa?

A wooden sideboard is another great option and can complement the dining table and chairs with matching wood tones. Placing it behind the sofa creates both a functional space and an attractive flow in the room. The glass sideboard is slightly bigger than the sofa, which is a less common but feasible option.
