

Sai World Ltd is a registered company in South Sudan. Based on the company's decision to diversify into different products. We are proud to state that the company has strived to make a mark in every sector they stepped in the automotive sector.

148.8KW Micro-grid Solar System in Sudan: Project Type: Engineering use: Installation Site: On the ground, South Sudan: Installation Date: October. 2016: System Components: 480PCS 310W Poly Solar Panel Inverter and Controller 288 PCS AGM Battery 4014 pcs Battery connectors 6 PCS Battery Frame 200 Meters DC Cable PV Cable 2000rolls

From burgeoning markets to established ones, ADDO delivers cutting-edge solutions in both the Solar and Energy Storage sectors, showcasing top-tier technology and innovations. Globally renowned, ADDO stands as a beacon of excellence in its field.

Sudan AGM H5-60 Our AGM batteries feature a new grid structure design that enhances the performance of start-stop systems. With unique Lead-Carbon technology and high-quality separator materials, the battery life is extended while significantly increasing discharge capacity.

Sudan AGM Batteries for Cars Market is expected to grow during 2023-2029 Sudan AGM Batteries for Cars Market (2024-2030) | Share, Companies, Value, Outlook, Forecast, Trends, Growth, Industry, Segmentation, Size & Revenue, Competitive Landscape, Analysis

Top Battery Companies in SUDAN 2023- Lento Industries Private Limited. LENTO INDUSTRIES PVT. LTD. - Lento is the Best Battery Manufacturer in SUDAN (2023). Lead-acid batteries and solar SMF batteries from Lento are designed to deliver superior performance and reliability. Their products are manufactured using the latest technology and are ...

If the budget to invest in a microgrid with a maximum SF of 60% is available, the recommendation would be a system with an AGM battery storage due to the lower CAPEX. If the budget is higher, the recommendation would be lithium battery storage technology.
