

Does Petronas supply fuel in Sudan?

In response to recent Press reports on PETRONAS' fuel supply services in Sudan, PETRONAS would like to offer the following statement: PETRONAS Marketing Sudan Limited (PMSL), a subsidiary of PETRONAS, has been supplying fuel to the African Union/United Nations Hybrid operations in Darfur (UNAMID) since 2007.

Does pmsl support humanitarian aid operations in Darfur?

PETRONAS believes that PMSL's supply contract with UNAMID is evidence of its support for humanitarian aid operations in Darfur and rejects any insinuation that its human rights record is "questionable" arising from this situation.

When did cotton grow in South Sudan?

Soon after in the in the early 1900scotton rapidly expanded due to high demand from the British. In 1937,the completion of the Jebel Aulia Dam,50 Km South of Khartoum,transformed agricultural production. Before the secession of South Sudan,the Ministry of Agriculture estimated that Sudan had 84 million hectares of potentially arable land.

Does Sudan produce sorghum & millet?

Overall,grain production (sorghum,millet,and wheat) is insufficient for rising domestic demand,even with good harvests in recent years,requiring Sudan to depend upon imports,especially imports of wheat. As of 2018,Sudan produced 2.6 million tons of millet,making it the third largest producer in the world.
