

What is the Guide to solar energy in Sudan?

"The Guide to Solar Energy in Sudan" is the first booklet of its kind in Sudan that targets consumer awareness at a "grass root" level, proudly developed by Clean Energy 4 Africa, and supported by several of the largest solar energy companies in the country.

What is the first-ever directory of solar energy companies in Sudan?

The first-ever directory of solar energy companies in Sudan The Guide was officially inaugurated in a hybrid event held on March 31st, 2022 at the headquarters of 249Startups- one of the leading startup incubators in Sudan.

Should Sudan invest in solar energy?

Given the strong support of the population for this technology and the high solar radiance across the country, Sudan, primarily represented by the government, needs to grasp this rather invaluable opportunity to invest in solar energy. However, the government's present tax policies and lack of incentives act as a large barrier against its diffusion.
