

Who is sunrain solar water heater manufacturer?

SUNRAIN is a professional leader Chinasolar water heater,heat pump,solar collector manufacturer with high quality and reasonable price. Welcome to contact us.

Are sunrain evacuated tube solar collectors a good choice?

SunRain Evacuated Tube Solar Collectors are the most cost-effective collectors on the market,they offer the best performance at the best price &lt;strong>- THE BEST VALUE AVAILABLE!

Why should you choose sunrain?

At the same time, Sunrain uses her excellent technical advantages and production capacity to supply quality and certified products including solar water heater, photovoltaic panel, LFP battery, heat pump and so on.

Who is sunrain group?

SUNRAIN Group,founded in 1999,is a globalized clean energy thermal utilization companyand one of the top 500 new energy enterprises in the world. In China,it is A-share main board listed company in solar thermal industry,with certified Enterprise Technology Center and CNAS National Certified Laboratory.

How does sunrain's solar vacuum tube technology work?

SunRain's solar vacuum tube technology uses an International patented film coating called "3 Hi". Within each solar evacuated tube, 3 systems are used to ensure the most effective heat absorption. This included a AL-N/AI absorption layer but also a second anti-reflection aluminum layer as well as a third copper layer for infrared waves.

What is a sunrain heat transfer bulb?

SunRain's unique aluminum/silver coatedheat transfer bulb it 2 times larger than most other heat pipes. This provides more heat energy transfer resulting in a more efficient collector. The added coating is used to generate a much better heat transfer from the bulb to the manifold.

SUNRAIN fibro pool heaters R32 Inverter technology Heating and cooling Function with CE certified OEM production factory with direct price and three years warranty. We produce fibro ...

We use SunRain TZ58 1800 series solar vacuum collectors. These evacuated tube collectors are rated the highest performance of any similar 30 tubes collector by SRCC. ... 30 Tube Solar ...

Sunrain Solar Water Heating Systems are high specification thermosyphon type hot water heaters designed for long life operation in extreme conditions. Closed loop separates the collector flow ...

SunRain Solar Flat Plate Collector- SRCC solar water heater. solar-heating. (106) Seller's other items. Contact

seller. US \$712.00. No Interest if paid in full in 6 mo on \$99+ with PayPal Credit\*. Condition: New.

The flat plate solar collectors are ideal for southern climates where the high performance winter performance of a solar vacuum tube is not needed. The FPC1200D is ideal for seasonal solar ...

SunRain solar water heater mounting kits included with every collector, have complete flexibility to ensure the best possible mount. ... Included are 8 stainless steel mounting brackets that can be positioned anywhere along a wall or roof ...

Sunrain provides the monoblock heat pump with main circulation pump built inside. When installing the unit, installer should connect the heat pump with other parts including the buffer tank (for space heating/cooling), storage water tank ...
