

Daher suchte der südafrikanische Glashersteller Consol nach einer erschwinglichen Beleuchtung für Gegenden ohne Elektrizität. Die Firma Suntoy entwickelte aus dem Consol-Einmachglas eine einfache, aber geniale Lampe: das Sonnenglas mit Solarmodul, Akku und LEDs. Das Sonnenglas speichert die Sonnenenergie, um sie bei Dunkelheit wieder ...

The Suntoy Solar Top(TM) is an eco-friendly solar powered light that provides "Sunshine on a bottle". The solar cells collect sunlight during the day, while four LED's provide a comfortable light during the night. Ideally suited for reading, ...

Suntoy combines the potential of solar technology with renewable and sustainable energy solutions. From design to manufacture of the Consol Solar Jar(TM), we are proudly South African. Consult: Envision an eco-friendly solar product. Our team will explore possibilities and provide turnkey solar solutions.

Suntoy combines the potential of solar technology with renewable and sustainable energy solutions. From design to manufacture of the Consol Solar Jar (TM), we are proudly South African. Consult: Envision an eco-friendly solar product. Our team will explore possibilities and provide turnkey solar solutions. Design:

The Suntoy Solar Top(TM) is an eco-friendly solar powered light that provides "Sunshine on a bottle". The solar cells collect sunlight during the day, while four LED's provide a comfortable light during the night. Ideally suited for reading, but equally versatile for many other uses. A piece of African beaded jewellery invites you to play!
