

What is the Puerto Rico energy resilience fund (PR-ERF)?

SAN JUAN, PUERTO RICO-- The U.S. Department of Energy (DOE) today announced up to \$453.5 million from the Puerto Rico Energy Resilience Fund (PR-ERF) aimed at increasing residential rooftop solar PV and battery storage installations across the region, with a focus to reach and support Puerto Rico's most vulnerable residents.

Why is Puerto Rico funding solar & battery storage?

Funding is Part of a \$1 Billion Effort to Deploy Solar and Battery Storage to Puerto Rico's Most Vulnerable Residents, Helping Increase Resilience and Lower Energy Bills for up to 40,000 Households

How much money does Puerto Rico have to pay for solar?

Up to \$190 million is available to Puerto Rico's Housing Administration and a private company to pay for solar and battery installations in public housing common areas and subsidized, multifamily housing properties. Another \$175 million is available for certain healthcare and dialysis centers.

Will a future powered by renewables make Puerto Rico more energy efficient?

"A future powered by renewables will offer the residents of Puerto Rico more energy security and more reliability--all while leaving households with cheaper bills to pay," said U.S. Secretary of Energy Jennifer M. Granholm.

Can solar panels help a low-income Puerto Rican household?

Funding will Support Solar Panels for up to 40,000 Low-Income Households and Create Local, Good-Paying Jobs; Part of a \$1 Billion Effort to Increase Resilience for Puerto Rican Households

Why did Puerto Rico get a power outage?

The announcement comes as the U.S. territory continues to struggle with chronic power outages that have worsened since Hurricane Maria pummeled the island as a powerful Category 4 storm in 2017, razing the electric grid. The outages also are blamed on a lack of maintenance and investment in its electric grid for decades.

DOE selected three qualified solar companies with an existing workforce in Puerto Rico as well as five qualified nonprofits and cooperatives across the region to begin award negotiations for a total of \$440 million to ...
