

Business Profile for LG Energy Solutions, LLC. Solar Energy Product Services. At-a-glance. Contact Information. 3211 Penn Dixie Rd. Nazareth, PA 18064-8926. Get Directions. Email ...

Company Overview - LIG Energy Solutions Inc will empower the world's underdeveloped communities through the application of solar and wind energy technologies. The company will become the world's leading provider of renewable energy (RE) products and services, with projects potentially spanning all five Eastern African Community countries ...

LIG is introducing a unique financing option for solar-powered electrical systems. In the heart of rural communities, we will build a community center powered by solar kits. These kits will be available to residents through an attractive financing option.
