

Who is phono solar company?

PHONO is a global leading solar products and services provider. It is affiliated to SUMEC Group, a subsidiary of Fortune 500 corporation, China National Machinery Industry Corporation Ltd (Sinomach).

Is phono a good solar installation company?

Products of PHONO have been recognized by PHOTON Laboratory, PVEL and Rated Solar Installer and recommend as high-quality products. PHONO has been continuously recognized by PVEL as Top Performer since 2016. PHONO engineering team sources high caliber materials and components during the module design phase.

What makes Phono a good brand?

PHONO adheres to the brand concept of innovative, reliable and sustainable for many years, and insists on scientific and technological innovation, and constantly increases research and development efforts.

Phono Solar provided Indian customers with a total of 82MW of high-efficiency solar photovoltaic modules, breaking into Indian market. Phono Solar launched two new products, the "Crystal Diamond" module and the "Star" module to the Japanese market.

Phono Solar is a global leading manufacturer of high-performance photovoltaic products. It is affiliated to SUMEC Group, a subsidiary of Fortune 500 corporation, China National Machinery Industry Corporation Ltd (Sinomach). Under the ...

PHONO produces a wide variety of PV modules ideally suited for all types of installations: residential, commercial, industrial, and utility. Backed by strong R& D capabilities and constant innovation practices, we provide stable, reliable, economical and environmentally adaptable product solutions to satisfy the demands of customers around the ...

PHONO has been listed as a Tier 1 PV module manufacturer by BNEF since 2014 and has won several awards including PVEL Top Performer, Top Brand PV by EUPD Research, Australian CER (clean energy reviews), and SolarQuotes "Best Solar Panels", etc. Being a competitive global partner of the field, we put our efforts into creating economic, social ...

Focusing on the optimal system conversion efficiency, PHONO promotes technological innovation and seek to provide global customers with premium clean energy assets of optimal LCOE (Levelized cost of electricity). PHONO actively promote the innovation and development of photovoltaic product technology.

Phono Solar monocrystalline and bifacial panels for solar power systems guarantee long-term endurance, a high transmission capacity, resistance to unfavourable weather conditions, fire, dust, and UV radiation under

real as well as extreme conditions.

2014, (BNEF), PVEL (Top Performer) EUPD Research (Top Brand PV) CER (Clean Energy Reviews) SolarQuotes (Best Solar Panels) ...

Phono Solar is a global leading manufacturer of high-performance photovoltaic products. It is affiliated to SUMEC Group, a subsidiary of Fortune 500 corporation, China National Machinery Industry Corporation Ltd (Sinomach). Under the "dual wheel drive" of ...
