

What is Talesun Solar Co.?

Talesun Solar Co. is a solar panel manufacturer based in Suzhou. This page provides a complete list of solar panels from Talesun Solar Co. and allows you to compare models side-by-side. Talesun Solar Co. is a solar panel manufacturer, and this page offers information about their solar panels in the EnergySage Buyer's Guide.

Are Talesun solar panels good?

They have panels that range from 280Wp to 665Wp, so they're good for different kinds of projects. Talesun offers a standard warranty that covers 25 years for performance and between 10-12 years for the product, based on which model you have. This is about the same as other popular panel companies.

Where do Talesun solar panels come from?

The Talesun website says they can produce 2GW of silicon cells and 2.8GW of solar panels every year. This means they're a medium-sized manufacturer. They sell most of their panels in China, but they also have customers in Europe and Japan. What Does "PV Evolution Labs Top Performer" Mean? How Much Should You Expect to Pay for Talesun Solar Panels?

Is Talesun a good PV module supplier?

Since 2015, Talesun has been listed as global first-class PV module supplier by Bloomberg New Energy Finance (BNEF) and has been rated as one of world's Top 10 module suppliers for consecutive years.

Will Talesun gain customers?

Furthermore, it is my hope that Talesun will gain many customers with deep cooperation for the design and manufacturing of solar PV products. But first, like Ren Zhengfei of Huawei said, the company needs to keep survival as the first target in today's fast-changing world.

Does Talesun offer a warranty?

Talesun offers a standard warranty that covers 25 years for performance and between 10-12 years for the product, based on which model you have. This is about the same as other popular panel companies. However, a warranty's real worth goes beyond just the years it covers.

Guaranteed Power 100% Talesun Solar linear warranty. The specification and key features described in this datasheet may deviate slightly and are not guaranteed. Due to ongoing innovation, R&D enhancement, Suzhou Talesun Solar Technologies Co., Ltd. reserves the right to make any adjustment to the information described
