

Will ECOWAS set up a special court in Gambia?

(AP Photo/Olamikan Gbemiga) SERREKUNDA, Gambia (AP) -- West Africa's regional bloc ECOWAS on Sunday approved setting up a special court to try crimes committed in Gambia during its military dictatorship. The landmark decision was announced at the summit of regional heads of state in Nigeria's capital, Abuja.

What is the history of the Gambia?

Gambian history before the arrival of Europeans has been preserved to some degree in oral traditions. Its history is closely tied to that of neighbouring Senegal, since it was only in the late 19th century that a distinction was made between Senegal and The Gambia; until that time the region is often referred to as Senegambia.

How did the Gambia become a part of West Africa?

He purchased Banjul Island (St. Mary's) from the king of Kombo, built barracks, laid out a town, and set up an artillery battery to control access to the river. The town, Bathurst (now Banjul), grew rapidly with the arrival of traders and workers from the east and upriver. The Gambia was administered as a part of British West Africa from 1821 to 1843.

Who started trading in the Gambia River region?

The first Europeans in the Gambia River regions, the Portuguese, established trading stations in the late 1400s but abandoned them within a century. Trade possibilities in the next two centuries drew English, French, Dutch, Swedish, and Courlander trading companies to western Africa.

What was the first colonial military unit in the Gambia?

Also in 1901, the Gambia Company, the first colonial military unit of the Gambia, was founded. It was formed as part of the Sierra Leone Battalion of the new West African Frontier Force (late Royal West African Frontier Force). A 1906 ordinance abolished slavery.

Why did the Babcocks go to Guyana?

Late in 1899 the Foreign Mission Board (FMB) sent Babcock to British Guiana (now Guyana) as superintendent of the work there, charged with carrying forward the pioneering efforts of Dudley Hale, who had resigned from the mission for family reasons. The Babcocks began their efforts in early 1900 at Georgetown.

The Gambia is home to a large number of political parties - 19 at the beginning of 2023 - but several of these are very small and do not have credible means to obtain power or significant influence. Only a handful of parties have deep social roots and the ability to mobilize a significant voter base.

The Gambia, officially the Republic of The Gambia, [8] [a] is a country in West Africa. Geographically, The Gambia is the smallest country in continental Africa; [b] it is surrounded by Senegal on all sides except for the western part, which is bordered by the Atlantic Ocean. [9] Its territory is on both sides of the lower reaches of the Gambia River, which flows ...

The Gambia gained independence as a constitutional monarchy that remained part of the Commonwealth, but in 1970 became a presidential republic. Dawda Jawara was elected the first president and remained in this position until 1994. A coup, led by Kukoi Sanyang, was attempted in 1981 but failed after Senegalese intervention.

The Gambia River is the country's dominant feature. It flows across a plateau of Miocene-Pliocene sandstone consisting of compacted sediment composed predominantly of quartz grains formed from about 23.7 to 1.6 million years ago. In the east, narrow valleys are separated by broad interfluvies or flattish hills. In the west, lower and smaller sand hills ...
