

The storage cabinet under the bed can store bed sheets and quilt covers

Where should bedding be stored?

However, bedding storage can exist in surprising places--the linen closet, yes, but also the space under your bed, at the top of your closets, or even in your dresser or wardrobe. Keep reading to check out some of our favorite bedding storage ideas. If your bed is bright and colorful, put it on display.

How do you store bedding in a medicine cabinet?

Look for empty shelves wherever they may be, even if it's the medicine cabinet. As long as the space is clean and protected from dirt, dust, and moisture, it can become the perfect storage space for your bedding. Another interesting way to store bedding is by height, like NYC Neat did on the shelving above.

How do you keep bedding in a drawer?

Keep your bedding in the lowest drawer for easy-to-access fresh sheets and pillowcases. For easy bed-making, keep the sheets and bedding that go on the same bed together. They can be kept in a bin or basket for easy access and handling. This works really well with smaller amounts of bedding, like sheets for kids' beds or cribs.

Where do you store bedding in a guest room?

Look for bedding storage space underneath built-in benches or inside chests. These places are great spots for oversized items like quilts, blankets, and comforters. For an all-inclusive approach to guest bedding storage, keep it in the guest bedroom in a dresser, on a shelf, or even inside some spacious nightstands.
