

As pioneers in the industry since 2018, we take pride in crafting renewable energy solutions that not only harness the power of the sun but also embody a commitment to unmatched service and superior workmanship. What sets us apart is not just the energy we generate but the energy we invest in every project.

In Togo, rural electricity projects are steered by the Rural Electrification and Renewable Energy Agency. Several companies, including BBOXX, EDF, and Sun King-Soleva, are actively working to promote universal ...

(Togo First) - On September 25, Togo presented feasibility studies for several energy-related projects it seeks to have covered by the Compact Program of Millenium Challenge Corporation (MCC). The projects aim to expand the electricity grid, boost access to electricity, and enhance regulatory policies and the skills of energy sector workers.
