

Green Revolution was formed by Paul Chaplin and Jim Dunlop in 2011, they are based in the Turks and Caicos Islands. Since their formation the company has completed many projects both residential and commercial in scale, throughout the region. These projects are saving residents of the Caribbean hundreds of thousands of dollars each year.

We have designed a number of prepackaged solar systems which can remove any number of circuits within your home or business from the grid, we offer a supply only or a supply and installation service for these systems:
