Oolu is a rapidly expanding off-grid solar company in the energy sector. The company offers high-quality solar products on an affordable financing plan, providing energy solutions and innovative services aimed at improving the lives of its customers. Oolu primarily serves the renewable energy sector in West and Central Africa.

Headquartered in Dakar, Senegal, Oolu is a leading distributor of solar energy solutions in West Africa. The company provides a range of products, from off-grid solar home systems to grid-connected commercial and industrial installations.

Senegalese solar distributor Oolu has closed a US\$8.5 million Series B investment round to help it accelerate its growth. Launched in 2015, Oolu aims to provide affordable energy access to rural and peri-urban customers in West Africa.
